

PS-0917

Product Description:

PS-0917 is an ultrasuade fabric that is brushed on one side to provide for a soft, luxurious feel. The fabric can be die cut to form gaskets with the dual role of delicate surfaces such as compact discs and protecting internal electronic components from external dust and debris.

Construction / Properties:

Property	Value	Test Method
Color	Blue Black	Visual
Total Thickness	0.40 mm	QSP-726
Width	1370 mm	QSP-726
Softness	> 5.0	--
Specific Gravity	< 0.45	ASTM D792
Tensile Strength	5.4 kg/cm (MD) 4.5 kg/cm (TD)	ASTM D882
Color Fastness	>3 (dry) 2-3 (wet)	--
Continuous Use Conditions	-40 to 120 C	WI-8.2-13

Features

- Brushed Finish
- Good Wet Strength
- Low Color Bleeding

Specific tests should be performed by the end user to determine the product suitability for the particular application.
